**BRIEF HISTORY OF THE VEHICLE:**

**CONDITIONS OF ENTRY**

1 Entries must be presented in a clean, complete and safe working condition. Substitute entries will only be permitted to run under exceptional circumstances and by prior arrangement with the Run Organiser.

2 All entries **MUST** be insured against third party risks, fully licensed and tested in accordance with the regulations applicable to that type of vehicle for road use. The Society reserves the right to ask for proof of these items. Entries **WILL NOT BE PERMITTED TO RUN ON TRADE PLATES**.

3 Steam wagons and engines will only be admitted if the owners can show proof of boiler insurance and annual inspection to the Run Organiser.

4 It is the owners' responsibility to ensure that all drivers are fully qualified to handle the class of vehicle exhibited.

5 No exhibit shall be left running unattended. All unattended vehicles shall be left securely braked and/or chocked.

6 A speed limit of up to 10 mph shall apply to all vehicles including modern tender vehicles, in all rally areas off the highway.

7 Entrants and crew must pay full regard to marshals' instructions and conduct themselves in a manner which will not inconvenience other road users or other persons at any time.

8 The owner of the vehicle may be held responsible for any weight damage caused by their vehicle whilst participating in the event.

9 Vehicles built after December 1995 will not normally be accepted. However, applications for such vehicles will be considered on their merits.
